Process Map

Key Activity
 Guidance

PURPOSE

1 The purpose of this procedure is to provide appropriate SHE information to sub-contractors and ensure a clear and common understanding in respect of contractor's activities, obligations, responsibilities and expectations in relation to SHE matters.

SCOPE

1 This procedure covers all **COMPANY** Projects and locations under the control of **COMPANY**. A **COMPANY** is defined as the organization with responsibility for management of safety at a construction site.

REFERENCE DOCUMENTS

DOCUMENTS

- 1 Qatar Regulatory Document (Construction) RD1.1.4 and RD1.1.8
- 2 Standard SHE Rules for Subcontractors
- 3 Contract Documents
- 4 CDM Evaluation Information

FORMS

- 1 Checklist for Contractor's Initial SHE Meeting – (SHE-FRM-7-01)
- 2 Risk Evaluation form – (SHE-FRM-7-02)

2.3.7.1 Responsibilities

SHE DIRECTOR

- 1 Authorises this procedure

PROJECT/SITE MANAGER

- 2 Ensures that any initial safety meeting, as defined in the procedure, is carried out in accordance with this procedure and relevant information is communicated to interested parties.

SHE MANAGER/ADVISER

- 3 Provides advice and support in the application of this procedure.

SUPERVISOR/CONTRACTORS CO-ORDINATOR#

- 4 To monitor any identified arrangements are adhered to and report any non-compliance to Contractor/Project Manager.

QUANTITY SURVEYOR/ESTIMATOR/BUYER

- 5 Where they are responsible for the procurement of the contractor, they are to ensure that a copy of the Safe Delivery Document is included in the enquiry/tender documentation and that the contractor acknowledges receipt.

2.3.7.2 Definitions

CONTRACTOR

- 1 The organisation undertaking the activity or arranging for the activity to be undertaken.

HIGH RISK ACTIVITIES

- 2 Any work evaluated as High Risk on form SHE-FRM-7-02

ANY WORK INTERESTED PARTY

- 3 Any person/s who will benefit and/or need to know the information or arrangements that are defined in the outputs/actions from the initial safety meeting, detailed in this procedure.

2.3.7.3 Actions Required to Implement This Procedure

SCOPE OF WORK

1 The Project/Site Manager will evaluate each contractor's scope of work to assess the Risk rating, using form **SHE-FRM-7-02**.

HIGH RISK ACTIVITY

2 The Project/Site Manager will notify SHE Adviser of any meeting taking place, for High Risk activities.

3 The SHE Advisor will attend any meeting for High Risk activities when requested to by the Project Manager.

SITE ARRANGEMENTS

4 The Project/Site Manager shall ensure the Contractor is aware of site arrangements for Safety, Health and Environmental issues by holding an initial SHE meeting prior to the Contractor commencing work on site. All the key persons listed in the project organization chart layout should attend the meeting to know their roles and responsibilities.

RECORDS

5 In conjunction with the **COMPANY** Safe Delivery Document each item in the checklist at SHE-FRM-7-01 – Checklist for Contractor's Initial SHE Meeting shall be covered or deleted/struck through where not applicable, and where appropriate a record of the discussion taken.

RECORD STORAGE

6 On completion of the checklist it shall be stored for record purposes and distributed to all interested parties who have duties identified within the checklist detail. This, for example, could include the Contractors Site Manager, Supervisor and Safety Manager, who needs to be informed in relation to any of the arrangements/agreements.

PERFORMANCE MONITORING

7 The Project Manager / Supervisor(s) / Co-ordinator(s), shall monitor the performance of the contractor against the agreements made to ensure compliance, and report on any non-conformance.

NON COMPLIANCE

8 The Project Manager will act on any Reports to ensure the non- compliance is addressed.

Section C

| Scope & Definitions | |
|--|---|
| <p>The purpose of the meeting is to ensure that there is a clear and common understanding as to the package contents, respective obligations, responsibilities and expectations. The term "Contractor" throughout these minutes shall mean the prospective Sub-Contractor named above, and subject to the requirements of section A the agreements reached shall apply to ALL sub-sub-contractors appointed by the sub-contractor to carry out works on his behalf.</p> <p>All Reference to numbered rules in this document are the rules contained Creating a Safe Environment Document, which has been issued to the subcontractor and forms part of the Sub-contract and Suppliers conditions.</p> | |
| Matters for Discussion (Delete Where Not Applicable) | Notes / Actions (Agreement Reached or N/A) |
| Appointed Persons & Duty Holders The following persons were identified as carrying out the specified roles for the Contractor on this project. | COMPANY Contractor |
| <ul style="list-style-type: none"> (a) Manager / Supervisor (b) Forman / Foremen (c) Site Safety Supervisor (d) Temporary Works Co-ordinator Temporary Works Supervisor (e) COSHH Co-ordinator (f) First Aiders (g) Emergency/Fire Marshall (h) Waste Controller (i) Scaffold Inspector (j) Electrical Duty Holder (k) Safety Advisor / Supervisor (l) Services Co-ordinator (m) Plant Co-ordinator (n) Appointed Person for Cranes (o) Crane Supervisor/s (p) Induction Presenter | |

Where these names are not known at this time they are to be advised to in writing not less the 2 weeks prior to commencement of the Contractors Works. Failure by the Contractor to notify by this time may delay the start of the contractors works.

Section D

1 General

..... to provide the Contractor with a copy of the Project's Construction Phase Plan and/or specify where available on site.

Copy provided / Available in site office

Health & Safety File / Operational & Maintenance Manuals / As installed Drawings

The Contractor is to supply the following to be included in the CDM Safety File

Details to be added as appropriate to the project

All information is to be Delivered to as specified by the Project manager and in any case within 14 days of the completion of the contractor's works, or 7 days before the practical completion date of the project which ever is the sooner.

OR*

..... confirmed that these are not required.

The contractor will be issued with a copy of the **COMPANY** Document "**Creating a Safe Environment**" which contains reference in the form of Rules to the topics listed below.

The **COMPANY** Manager and the representative of the Contractor at this meeting will review the **Creating a Safe Environment** Rules and indicate:-

1. Whether the rule applies to the contractors works , and
2. The contractors understanding and agreement to those applicable rules.

In addition to these rules some of the topics require further site specific details to be agreed, these specifics are contained in Section E of this document and where applicable the attendees must discuss these items and reach agreement or detail the actions to be taken in the relevant sections, in order for the works to be carried out in a controlled and safe manner.

Where agreement cannot be reached then the work must not proceed until persons of appropriate seniority have discussed and assigned actions to enable the works to be carried out safely and without risk.

| Item / Rule | Applicable Yes / No | Agreement & Understanding Confirmed (✓) |
